Further information

About me

I'm a self-taught front-end developer.

I want to start my carrer in Software Development as Junion Front-end-Developer.

I would like to get real experience in a real company with real projects.

Constantly studying and practicing front-end technologies.

I have experience with HTML, CSS, JS, React, Redux.

I already have some ready-to-check projects, which can be viewed at the link to my portfolio

<https://medemis.github.io/PORTFOLIO/>

Here is my last project I worked on -> <https://social-network-on-react.vercel.app/react-social-network/>

And link to repository -> <https://github.com/MedEmis/Social-Network-on-React.git>
